

Get practice using GOOGLE

- Google Calendar & Mail
- Google Docs, Slides & Sheets
- Google Forms
- Google Classroom
- How to organize your Google Suite

Google helps us to better communicate, collaborate and store information. There are so many great Google applications available to both staff and students in the district such as our Learn60 and PRN Gmail, Google Calendar, Docs, Forms and Slides.

This Pro-D session delivered through Zoom will be hands-on and provide you with the opportunity to explore and practice using some of these applications.
