**The new Performance Standards are Coming!!**

**You are invited to help set the standard  
for 'Proficiency' in the new  
K-5 Literacy and Numeracy  
Performance Standards**

Your contribution now and/or later will help establish the provincial standard for student proficiency.

**Spring (May-June) 2021**

**Choose any or all options.**

Options:

1. Submit samples of student work demonstrating proficiency in any aspect of the draft Performance Standards.
  - a. Include your justification on provided forms.
  - b. Submit student work without justifying your thinking to the District Lead Team
2. Collaborate with the District Lead Team to analyse submitted student samples.

**Fall (Sept-Dec) 2021**

Join colleagues in a more formalized study and collection of exemplars demonstrating proficient student work.

The structure for this collaboration will be developed with input from participating teachers.

Once interest is determined, parameters will be set.
