

# **Thinking Classrooms** Virtual Book Club 2021-22

Open to all K-12 Educators new or experienced using **Thinking Classrooms**

A virtual information meeting will be held by Zoom on Thursday, November 4, 2021 at 3:30-4:30 pm. Please email [Michellabraun@prn.bc.ca](mailto:Michellabraun@prn.bc.ca) to register. Participants will be emailed a link prior to the session. Please register for the introductory session no later than October 28, 2021.

**Facilitator:** Michael Pruner is a high school mathematics teacher from North Vancouver, BC and a past president of the BC Association of Mathematics Teachers (BCAMT). Teaching for 25 years, he has always had an ever-changing mix of Math 8 through to AP Calculus and has recently discovered a passion for developing *Thinking Classrooms*. Michael believes that mathematics is a social endeavour and is best learned through collaborative activity in rich tasks. Through the BCAMT, Michael has had the privilege of visiting classrooms all across Canada sharing his experience and knowledge of developing and maintaining *Thinking Classrooms*. Michael is also a PhD student at Simon Fraser University in Mathematics Education.

Educators will receive a copy of the book authored by Peter Liljedahl.

There will be **five** sessions over the school year (not counting the introductory session) in a virtual format.

**Session 1** will be held on December 9, 2021 3:30-4:45pm.

All further dates will be set up with input from participants and the facilitator.

Participants are asked to commit to all of the sessions.
