

Develop thinking and processing skills with and within students.

<https://www.smartlearning.ca>

SmartLearning is:

- Engaging
- Inclusive and differentiated
- Concept-based
- Learning-centered
- Interactive

SmartLearning:

- Leads to deeper learning
- Integrates thinking, speaking, reading, and writing
- Develops competencies
- Works in all subjects

Friday, April 22, 2022

All Teachers

9:00-3:00

Location TBD

Engage students in setting personal learning goals and growing their neural networks.

“Students begin to think more critically, read with more understanding, write with more details, and speak with higher vocabulary. I am always inspired by their thoughtfulness, insightful thinking and how they connect their learning to their own lives.”

- Jen Beauchene, Chilliwack BC

For more information, or to register by Wednesday, April 20, contact

Anita Yorke, Literacy Support Teacher ayorke@prn.bc.ca
