

Lunch & Learn: Math Manipulative Mystery!

Pack your lunch and your curiosity! Join me for a fun, hands-on session where we'll unwrap a math manipulative you might not know (yet!). You'll get to play, explore, and leave with a ready-to-go classroom activity—and maybe even a new favorite teaching tool. Let's make math magic together!

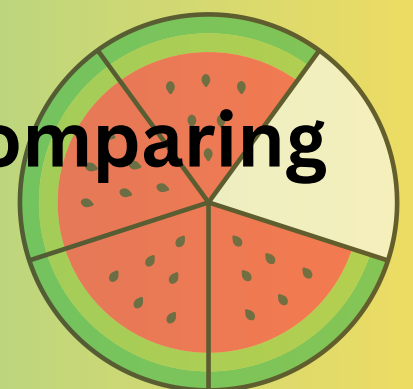

30 minute Zoom sessions - 12:05 to 12:35

**Cuisenaire rods - Primary Number
Cuisenaire rods - Fractions**

**Geoboards - Counting, Comparing
Geoboards - Fractions, \$**

**Snap Cubes - Counting, Probability
Snap Cubes - %, Fractions, Ratios**
